

Comprehensive yet Easy-To-Follow Materials For the **PREVENTION AND MANAGEMENT OF TYPE 2 DIABETES** **IN INDIVIDUALS WITH DEVELOPMENTAL DISABILITIES**

Launched in 2006 with funding from The Horizon Foundation for New Jersey, The Arc of New Jersey's **Diabetes Awareness and Education Project** has produced media materials intended to educate individuals with developmental disabilities and their caregivers regarding important steps that can be taken toward the prevention and control of Type 2 Diabetes, including changes in diet and exercise habits and regular monitoring by a health care professional. We have recently updated and reprinted these materials and they are now available in a combination English/Spanish booklet and a Spanish-subtitled DVD. Please use this order form to order the materials. **THERE IS NO CHARGE FOR INDIVIDUAL COPIES OF THESE MATERIALS, however, POSTAGE CHARGES WILL APPLY FOR REQUESTS GREATER THAN 1 BOOKLET.**

Valuable Resources for Individuals with Developmental Disabilities

The Horizon Foundation for New Jersey

The Horizon Foundation for New Jersey promotes health, well-being, and quality of life in New Jersey's communities. The goals of the foundation are to improve the health of New Jersey residents by promoting quality health-related prevention and education programs, and increasing access to primary health care, and to enhance arts and cultural opportunities for New Jersey residents.
